# NORTHSTAR UNIVERSITY

Branch Information Guide | 2026

***Demonstration document:*** *The university and branch information in this document is fictional sample content created for testing the Northstar University AI Kiosk's document upload and Retrieval-Augmented Generation (RAG) features. It should not be treated as verified information about a real institution.*

## Overview

Northstar University operates three regional learning centres in Kandy, Galle and Jaffna. The centres provide student support, academic guidance and selected learning facilities. Programme availability and administrative services may differ between locations. Students should contact the relevant centre before visiting to confirm service availability.

## Kandy Learning Centre

**Location:** Central Province

The Kandy Learning Centre serves students from Kandy and nearby districts. It provides academic consultation, student registration support, a study area and scheduled guidance sessions.

| | |
|---|---|
| **Available services** | Academic guidance; registration assistance; student records enquiries; study facilities; scheduled meetings with programme coordinators. |
| **Opening hours** | Monday to Friday, 8:30 a.m. to 4:30 p.m. Saturday services are available only for scheduled sessions. |
| **Enquiry point** | Kandy Regional Student Services Desk |

**Important:** Students should bring their university registration number and a valid student identification card when requesting in-person assistance.

## Galle Learning Centre

**Location:** Southern Province

The Galle Learning Centre supports students from Galle and the Southern Province. The centre provides student enquiries, selected academic support sessions and access to learning resources.

| | |
|---|---|
| **Available services** | General student enquiries; academic support appointments; course information; learning resource access; guidance on university procedures. |
| **Opening hours** | Monday to Friday, 8:30 a.m. to 4:30 p.m. Visits outside these hours require prior confirmation. |
| **Enquiry point** | Galle Regional Student Services Desk |

**Important:** Students who need to meet an academic coordinator should arrange an appointment in advance.

## Jaffna Learning Centre

**Location:** Northern Province

The Jaffna Learning Centre provides regional support for students in Jaffna and surrounding areas. It assists with student administration and offers selected academic guidance and learning support.

| | |
|---|---|
| **Available services** | Registration enquiries; student administration support; academic guidance appointments; access to selected learning resources; information about student services. |
| **Opening hours** | Monday to Friday, 8:30 a.m. to 4:30 p.m. Saturday services are available by prior arrangement. |
| **Enquiry point** | Jaffna Regional Student Services Desk |

**Important:** Students may contact the centre before travelling to confirm staff availability and the services provided on the day.

## General Student Guidance

Students can visit the relevant learning centre for the services listed above. Before travelling, students should confirm opening hours, appointment requirements and whether the service they need is available at that location. Some services, including specialist academic consultations and official document processing, may be handled by the university's main administration office.

## Suggested Questions for the AI Kiosk

• Does Northstar University have a learning centre in Kandy?

• What services are available at the Galle Learning Centre?

• What are the opening hours of the Jaffna Learning Centre?

• Do I need an appointment to meet an academic coordinator in Galle?

• What should I bring when visiting the Kandy Learning Centre?
