APIIT Sri Lanka: Institutional Profile and Campuses

Document Number: 01
Institution: Asia Pacific Institute of Information Technology (APIIT) Sri Lanka
Research Date: November 10, 2026
Description: A comprehensive overview of APIIT Sri Lanka's institutional profile, academic partnerships, structure, campus facilities, and contact information for prospective students.

1. Institutional Overview

The **Asia Pacific Institute of Information Technology (APIIT) Sri Lanka** is a premier higher education institution with a track record of championing quality in higher education for over 25 years. APIIT Sri Lanka continues to aspire to inspire a love for learning through academic excellence, innovation, and industry-relevant education [APIIT-001].

1.1 Institutional Purpose and Values

APIIT Sri Lanka defines its purpose as revolutionizing the education landscape by igniting a passion for the intrinsic value of learning to nurture leaders who uplift lives. The institutional ethos is guided by core values including "Loving & Caring" for every student equally, "Inspiring Synergy" by connecting minds to learn and grow, and fostering "Lifelong Learning" without limits [APIIT-001].

To support this vision, APIIT Sri Lanka operates on five cross-functional pillars:

- **APIIT Life Pillar:** Enhances student life by creating meaningful engagement in learning, supported by the campus activities board for co-curricular and extra-curricular experiences.
- **APIIT Inc. Pillar:** Fosters entrepreneurship among students, nurturing "passionpreneurs" through workshops and skill-building.
- **APIIT Lab Pillar:** Drives research and innovation through collaborative groups, including the Human Performance Lab.
- **APIIT Beyond Pillar:** Supports the transition into industry via internships and placements, whilst maintaining active alumni engagement.
- **Resolvers Club Pillar:** Develops critical thinkers, problem solvers, and empathetic future leaders to transform society's approach to education.

1.2 Academic Partnerships and Affiliations

APIIT Sri Lanka has established robust academic partnerships to deliver internationally recognized qualifications:

- **University of Staffordshire (UK):** APIIT Sri Lanka's principal academic partner. The institution delivers undergraduate and postgraduate degree programmes awarded by the University of Staffordshire, ensuring regular quality audits and ISO 9001:2015-compliant processes [APIIT-002].
- **NCUK:** APIIT Sri Lanka is partnered with NCUK to deliver the International Foundation Year, offering an educational route that provides guaranteed entry to leading universities worldwide [APIIT-002].
- **Asian Institute of Technology (AIT):** A partnership with AIT (Bangkok) facilitates multicultural environments and collaborative postgraduate or international study experiences [APIIT-002].

2. Academic Structure

APIIT Sri Lanka is structured into dedicated schools and faculties that encompass a wide variety of academic disciplines. All programmes are designed to deliver industry-relevant education that prepares graduates for the global workforce.

2.1 Schools and Study Areas

APIIT Sri Lanka currently offers academic programmes across the following core study areas [APIIT-003]:

- **Business:** Encompassing management, finance, marketing, and human resources.
- **Computing:** Covering software engineering, artificial intelligence, and digital technologies.
- **Law School:** Providing comprehensive legal education and foundation pathways.
- **Engineering:** Delivering technical and applied engineering programmes.
- **Biomedical Science:** Focusing on healthcare sciences and research disciplines.

3. Campus Information

APIIT Sri Lanka operates out of modern, purpose-built campuses designed to facilitate effective teaching, research, and student collaboration. Prospective students can choose to study at different locations depending on programme availability [APIIT-004].

3.1 Colombo Campus (Main Campus)

The Colombo Campus serves as the primary hub for APIIT Sri Lanka's operations, hosting a majority of the academic programmes, administrative services, and student support facilities.

- **Address:** 278, 3rd Floor, Access Towers, Colombo 2, Sri Lanka.
- **Facilities:** Features modern computer laboratories, extensive library resources, and dedicated research spaces such as the Human Performance Lab. The campus is fully audited to meet ISO 9001:2015 standards, providing a secure and well-equipped learning environment.

3.2 Kandy Campus

To serve students outside the capital, APIIT operates a dedicated campus in the central region of Sri Lanka.

- **Address:** 542, Peradeniya Road, Kandy, Sri Lanka.
- **Facilities:** The Kandy Campus offers localized student support, modern learning environments, and access to APIIT's digital and physical academic resources. *Note: Programme availability at the Kandy Campus may vary; prospective students should confirm specific degree offerings with the admissions team.*
